Updated Look. Improved Function.

Nautilus Nitro® EVO features our patent pending 10 lb increment weight stack, which is perfect for slight strength gains and ideal for newcomers, women and the elderly. Other features include:

- Updated Sleek, Partially Enclosed Weight Shields with a 5.5" Opening
- Marine Grade, Contoured Upholstery for Comfort & Durability
- Updated Exercise Placards for Ease of Use
- Integrated Parts Schematic Simplifies Service
- Proprietary Pin Design Limits Pilferage & Misuse Liability
- Enlarged Bottle Holder & Towel Knob for Convenience
- Multiple Color Options are Available for the Frame and Upholstery
- Warranty: 12 years- Frame/Welded Moving Parts/Weight Stacks, 3 years-Moving Parts, 1 year-Labor and 6 months on upholstery/pads/grips and tethered weight stack pins

It Moves the Way Your Body Moves. Driven by our four-bar linkage system, cam design or a combination of both, this unique technology dynamically matches the body's potential increases and decreases in strength. Users get immediate, smooth resistance and proper muscle loading through the complete range of motion, leading to unprecedented results.

LEG PRESS

The Nautilus Nitro® EVO Leg Press provides maximum muscle involvement with minimum knee and back stress.

- Patented four-bar linkage technology controls position and angle of foot platform to increase user safety and reduce knee stress, as well as maximize hip rotation
- Extra-wide platform allows varying foot placement with an entry/exit handle
- Thick, contoured back pad for comfort and lumbar support
- Adjustable seat back angle allows user to target different percentages of muscle group involvement
- Extended range of seat adjustments to accommodate a majority of user heights
- 75" L x 39" W x 67" H / 191 L x 99 W x 170 H
- Machine Weight: 970 lbs. / 440 kg, Weight Stack: 480 lbs. / 218 kg
